---

---

4. How many feet does a pony have?

---

---

5. How many ears does a pony have?

---

---

6. How many tails does a pony have?

---

---

### PONY PAL BRAIN POWER

Read each question, say your answer out loud and repeat it **3 times**.

**Why do this?** Repeating things helps your brain learn and remember.

**Great work, Pony Pals!**
